	Pg.		Pg.
1. Main socio-economic indicators		2.10. Water use by regions, cities and districts	43
1.1. Administrative territorial division of the Republic of Belarus as of January 1, 2026	15	2.11. Water discharge	47
1.2. Territory and population density by regions and Minsk city as of January 1, 2026	15	2.12. Water discharge by regions, cities and districts	47
1.3. Main socio-economic indicators of the Republic of Belarus, regions and Minsk city	16	2.13. Air polluting emissions	52
1.4. Indices of main socio-economic indicators of the Republic of Belarus, regions and Minsk city	22	2.14. Air polluting emissions from stationary sources by regions, cities and districts	53
1.5. Share of regions and Minsk city in national socio-economic indicators in 2025	30	2.15. Air polluting emissions per capita	57
2. Environment		2.16. Captured and (or) treated air pollutants from stationary sources	57
Natural resources		2.17. Current environmental expenditures	58
2.1. Land area	32	2.18. Fixed capital investment in environmental protection	59
2.2. Structure of land area	34	3. Population and migration	
2.3. Protected areas as of January 1, 2026	35	Population	
2.4. Protected areas as a share of the total land area of the country, regions and Minsk city	35	3.1. Population	61
2.5. Average annual air temperature	36	3.2. Population density as of January 1, 2026 (cartogram)	62
2.6. Average annual precipitation	36	3.3. Proportion of urban and rural population in total population	63
Environmental protection		3.4. Proportion of male and female population in total population	63
2.7. Water extraction (withdrawal) from natural sources	37	3.5. Sex ratio	64
2.8. Water extraction (withdrawal) from natural sources by regions, cities and districts	37	3.6. Average age of male and female population	65
2.9. Water use	42	3.7. Population of the Republic of Belarus by regions, districts, cities and urban-type settlements	66
		3.8. Cities with 50 000 and more population	84
		3.9. Proportion of population of main age groups in total population	85

3.10. Proportion of population of main age groups in total population (graph)	85
3.11. Population under working age by regions, cities and districts	86
3.12. Population of working age by regions, cities and districts	90
3.13. Population over working age by regions, cities and districts	94
3.14. Dependency ratios	98
3.15. Ethnic composition of the population ...	99
3.16. Natality and mortality	101
3.17. Marriages and divorces	102
3.18. Crude marriage and divorce rates	103
3.19. Average age at marriage	103

	Pg.	4.13. Occupational injuries	136
Migration		4.14. Number of victims of occupational accidents resulting in one or more working days of incapacity or fatal by regions, cities and districts	137
3.20. General results of migration in the Republic of Belarus	104		
3.21. Internal migration in the Republic of Belarus by flows	105		
3.22. Migration between regions of the country in 2025	106		
4. Labour		5. Education	
Employment and labour underutilization		5.1. Key indicators of education	142
4.1. Labour resources	110	5.2. Number of education institutions implementing pre-primary education programme	145
4.2. Employed population	111		Pg.
4.3. Employed population by ownership type	112	5.3. Enrolment in education institutions implementing pre-primary education programme	146
4.4. Employed population by regions, cities and districts	114	5.4. Number of children per 100 places in education institutions implementing pre-primary education programme	147
4.5. Employed population by economic activity	118	5.5. Gross enrolment ratio in pre-primary education	148
4.6. Labour force participation rate in 2025	123	5.6. Number of education institutions implementing pre-primary education programme by regions, cities and districts	149
4.7. Employment rate by age group	124	5.7. Enrolment in education institutions implementing pre-primary education programme by regions, cities and districts	153
4.8. Employment rate by educational attainment	126	5.8. Number of education institutions implementing general secondary education programmes by type	157
4.9. Unemployment rate by age group	128	5.9. Enrolment in education institutions implementing general secondary education programmes by type	159
4.10. Unemployment rate by educational attainment	130	5.10. Number of education institutions implementing general secondary education programmes by regions, cities and districts	161
4.11. Number of registered unemployed and registered unemployment rate by regions, cities and districts	132	5.11. Enrolment in day-time education institutions implementing general secondary education programmes by regions, cities and districts	165
Employee turnover		5.12. Enrolment in day-time education institutions implementing general secondary education programmes per 10 000 population (graph)	169
4.12. Job hires and terminations	136		
Occupational injuries			

5.13. Number of teachers in education institutions implementing general secondary education programmes by regions, cities and districts	170
5.14. Pupil-teacher ratio in day-time education institutions implementing general secondary education programmes by regions, cities and districts	174
5.15. Graduates from education institutions implementing general secondary education programmes	178
5.16. Education institutions implementing secondary specialised education programmes	179
5.17. Graduates from education institutions implementing secondary specialised education programmes	180

	Pg.		Pg.
5.18. Education institutions implementing higher education programmes	181	7.2. Average per capita money income of population	214
5.19. Graduates from education institutions implementing higher education programmes with higher education diploma	182	7.3. Structure of money income of population	215
5.20. Enrolment and graduation from Master's programmes	183	7.4. Real disposable money income of population	216
5.21. Graduates with higher education diploma and Master's diploma per 10 000 employed population	183	7.5. Purchasing power of average per capita disposable money income of population	217
6. Health care			
6.1. Main indicators of health care	185	Household income and consumption	
6.2. Number of medical practitioners by medical specialty	187	7.6. Household disposable resources	219
6.3. Number of medical practitioners by regions, cities and districts	189	7.7. Structure of household disposable resources	219
6.4. Number of paramedical personnel by specialty	193	7.8. Structure of household expenditures by main groups of consumption expenditures	220
6.5. Number of paramedical personnel by regions, cities and districts	195	7.9. Structure of household consumption expenditures in 2025	221
6.6. Availability of hospital beds by regions, cities and districts	199	7.10. Household consumption of basic food products	222
6.7. Morbidity by main disease classes	203	7.11. Consumption of food produced in personal subsidiary plots	224
6.8. Malignant neoplasms	209	8. Living standards	
6.9. Tuberculosis	209	8.1. Ratio of income of population to minimum subsistence budget	227
6.10. Alcohol dependence and alcoholic psychoses	210	8.2. Low-income rate	228
6.11. Drug and toxic substance dependence	210	8.3. Distribution of population by ratio of average per capita disposable resources to minimum subsistence budget	229
6.12. Live expectancy at birth	211	8.4. Distribution of total disposable resources by 20% household groups ...	233
7. Income and consumption		8.5. Ratio of average disposable resources of 20% group with highest resources to 20% group with lowest resources	233
Money income of population		9. Labour cost	
7.1. Money income of population	214		

9.1. Nominal gross average monthly earnings	234
9.2. Real wages	234
9.3. Nominal gross average monthly earnings by economic activity	235
9.4. Nominal gross average monthly earnings by regions, cities and districts	238
9.5. Real wages by regions, cities and districts	242
10. Social protection	
10.1. Average amount of pensions granted	246
10.2. Real amount of pensions granted	247
10.3. Social payouts	247
10.4. State targeted social assistance in 2025	248

	Pg.	13.8. Museums by specialty in 2025	295
		13.9. Theatres	295
11. Housing stock			Pg.
11.1. Housing stock	249		
11.2. Share of housing stock owned by individuals (graph)	250	Physical training and sports	
11.3. Housing stock by regions, cities and districts	251	13.10. Physical training and sports facilities ...	296
11.4. Housing in disrepair and dilapidated housing	255	13.11. Number of persons practicing physical exercise and sports	298
11.5. Availability of housing	256	14. Gross regional product	
11.6. Availability of housing in 2020 (cartogram)	260	14.1. Gross regional product	299
11.7. Availability of housing in 2025 (cartogram)	261	14.2. Gross regional product of regions and Minsk city as a share of gross domestic product	300
11.8. Improvement of housing conditions	262	14.3. Gross regional product per capita	300
11.9. Improvement of occupied household housing	264	14.4. Indices of gross regional product	301
12. Offence		14.5. Indices of gross regional product per capita	301
12.1. Main indicators of crime	265	14.6. Labour productivity based on gross domestic product, gross regional product	302
12.2. Number of recorded crimes by regions, cities and districts	266	14.7. Structure of gross regional product by economic activity	304
12.3. Number of recorded crimes per 100 000 population by regions, cities and districts	270	14.8. Share of principal economic activities in gross regional product (graph)	307
12.4. Number of persons who committed crimes by regions, cities and districts	274	14.9. Indices of gross regional product by main types of economic activity	308
13. Culture and sports		15. Characteristics of organisations	
Culture		15.1. Number of organisations	311
13.1. Immovable heritage properties included in the State List of Historic and Cultural Values of the Republic of Belarus in 2025	278	15.2. Number of organisations by economic activity as of January 1, 2026	312
13.2. Public libraries	279	15.3. Number of organisations by ownership type as of January 1, 2026	314
13.3. Public libraries by regions, cities and districts	281	15.4. Number of organisations by legal organisational form as of January 1, 2026	315
13.4. Clubs	285		
13.5. Clubs by regions, cities and districts	286		
13.6. Club formations by regions, cities and districts	290		
13.7. Museums	294		

15.5. Number of organisations by regions, cities and districts	315
--	-----

16. Small and medium-sized business

16.1. Share of small and medium-sized business entities in the main economic development indicators of regions and Minsk city	320
16.2. The share of small and medium-sized enterprise organisations in individual economic indicators of development of regions and Minsk city	321
16.3. Number of small and medium organisations	322
16.4. Number of small and medium organisations by economic activity at year-end 2025	323

	Pg.	16.19. Number of individuals carrying out individual business activities	335
16.5. Number of small and medium organisations by regions, cities and districts	324	16.20. Number of individual entrepreneurs by economic activity at year-end 2025 ...	335
16.6. Number of employees of small and medium organisations	328	16.21. Proceeds (income) from the sale of products, goods, works and services of individuals carrying out individual entrepreneurial activities	336
16.7. Nominal gross average monthly earnings in small and medium organisations	329	16.22. Amount of payments received into the budget from individual entrepreneurs	336
16.8. Volume of production of small and medium organisations	329		
16.9. Volume of industrial production of small and medium organisations	329		Pg.
		17. Agriculture and forestry	
		Main indicators of agriculture	
16.10. Fixed capital investment of small and medium organisations	330	17.1. Selected indicators of agricultural organisations	339
16.11. Foreign investment in real sector of the economy by small and medium organisations	330	17.2. Agricultural production	341
16.12. Foreign direct investment in real sector of the economy by small and medium organisations	330	17.3. Share of regions in national agricultural production (graph)	342
16.13. Retail turnover of small and medium retail organisations	331	17.4. Indices of agricultural production	343
16.14. Catering turnover of small and medium organisations	331	17.5. Indices of agricultural production of agricultural organisations by regions and districts	344
		Crop growing	
16.15. Wholesale turnover of small and medium wholesale organisations	332	17.6. Sown area under agricultural crops in farms of all types	348
16.16. Volume of paid services provided by small and medium organisations	332	17.7. Sown area under agricultural crops in agricultural organisations by regions and districts	350
16.17. Foreign trade in goods of small and medium organisations	333	17.8. Gross harvest of agricultural crops in farms of all types	354
16.18. Financial performance indicators of small and medium organisations	334	17.9. Gross harvest of agricultural crops in agricultural organisations	356

17.10. Gross harvest of agricultural crops in private (peasant) farms	358
17.11. Gross harvest of agricultural crops in household plots	359
17.12. Gross harvest of cereals and pulses in agricultural organisations by regions and districts	360
17.13. Gross harvest of rape in agricultural organisations by regions and districts	364
17.14. Gross harvest of potatoes in agricultural organisations by regions and selected districts	368
17.15. Gross harvest of vegetables in agricultural organisations by regions and selected districts	372
17.16. Gross harvest of flax fibre in agricultural organisations by regions and selected districts	375
17.17. Gross harvest of sugar beet in agricultural organisations by regions and selected districts	376

Animal husbandry

17.48. Area of forest land affected by fires	442
---	-----

18. Industry

18.1. Main indicators of industry	444
18.2. Share of regions and Minsk city in national industrial production (graph)	446
18.3. Indices of industrial production by economic activity	446
18.4. Structure of the volume of industrial production by economic activity	448
18.5. Volume of industrial production by regions, cities and districts	449
18.6. Volume of industrial production and structure of manufacturing in 2025 (cartogram)	453

	Pg.	19.17. Acquisition costs of machinery, equipment and motor vehicles	482
19. Construction and fixed capital investment		19.18. Indices of fixed capital investment by regions, cities and districts	483
Construction		19.19. Fixed capital investment by source of financing	487
19.1. Main economic indicators of construction organisations	456		Pg.
19.2. Number of projects under construction	457	19.20. Share of consolidated budget funds in the total fixed capital investment by regions, cities and districts	491
19.3. Volume indices of contract works in "Construction" economic activity	458	19.21. Structure of fixed capital investment by regions, cities and districts	495
19.4. Volume indices of contract works in "Construction" economic activity by regions, cities and districts	459	20. Domestic trade and catering	
19.5. Commissioning of residential buildings and number of apartments built	463	Wholesale trade	
19.6. Commissioning of residential buildings by sources of financing	464	20.1. Main indicators of the wholesaling organisations	500
19.7. Commissioning of residential buildings and number of apartments built per 1000 population	466	20.2. Wholesale turnover of wholesale organisations by ownership type	501
19.8. Indices of commissioning of residential buildings	466	20.3. Indices of wholesale turnover of wholesale organisations	501
19.9. Commissioning of residential buildings from all sources of financing by regions, cities and districts	467	20.4. Warehousing network of wholesale organisations	502
19.10. Commissioning of residential buildings for individuals registered for housing conditions improvement by regions, cities and districts	471	Retail trade	
19.11. Indices of housing commissioning by regions, cities and districts	475	20.5. Main indicators of retail trade	503
19.12. Commissioning of social and cultural facilities	479	20.6. Retail turnover by ownership type	505
Fixed capital investment		20.7. Indices of retail turnover	505
19.13. Main indicators of fixed capital investment	480	20.8. Retail turnover per capita by regions, cities and districts	506
19.14. Commissioning of fixed assets	481	20.9. Retail turnover of retail organisations	510
19.15. Indices of fixed capital investment	481	20.10. Indices of retail turnover of retail organisations	511
19.16. Indices of building and assembly works	482		

20.11. Retail turnover of retail organisations by regions, cities and districts	512
20.12. Indices of retail turnover of retail organisations by regions, cities and districts	516
20.13. Retail facilities by regions, cities and districts	520
20.14. Sales area of shops per 10 000 population by regions, cities and districts	524

Catering

20.15. Main indicators of catering	528
20.16. Catering turnover by ownership type	529
20.17. Indices of catering turnover	529
20.18. Catering turnover by regions, cities and districts	530

	Pg.		Pg.
20.19. Indices of catering turnover by regions, cities and districts	534	23.8. Share of loss-making organisations by regions, cities and districts	580
20.20. Catering facilities by regions, cities and districts	538	23.9. Structure of production and sales costs by economic activity in 2025	584
20.21. Number of seats in catering facilities per 10 000 population by regions, cities and districts	542	23.10. Reduction (increase) of production and sales costs	589
21. Tourism		23.11. Accounts receivable of organisations by economic activity	590
21.1. Number of organisations engaged in tourism activities	547	23.12. Accounts receivable of organisations by regions, cities and districts	595
21.2. Number of inbound and outbound tourists and excursionists	547	23.13. Accounts payable of organisations by economic activity	599
21.3. Number of domestic tourists and excursionists	548	23.14. Accounts payable of organisations by regions, cities and districts	604
21.4. Main indicators of hotels and similar accommodation facilities	548	23.15. Debts under credits and loans of organisations by economic activity	608
21.5. Sanatorium-health resort, health improvement organisations and others specialized accommodation facilities ...	550	23.16. Debts under credits and loans of organisations by regions, cities and districts	613
21.6. Number of children who have undergone rehabilitation in educational and sports camps during the summer .	551	23.17. External debts of organisations	617
22. Paid services for population		23.18. Original cost of fixed assets	618
22.1. Paid services for population	552	23.19. New fixed assets commissioned	618
22.2. Indices of paid services for population .	553	23.20. Share of accumulated depreciation in original cost of fixed assets	618
22.3. Structure of paid services for population by type in 2025	553	23.21. Commissioning rate of new fixed assets	619
23. Business finance		23.22. Replacement rate of fixed assets	619
23.1. Sales revenue by economic activity	556	23.23. Liquidation rate of fixed assets	619
23.2. Sales revenue by regions, cities and districts	559	24. Foreign economic activity	
23.3. Net profit, net loss (-) by economic activity	563	Foreign trade in goods	
23.4. Net profit, net loss (-) by regions, cities and districts	566		
23.5. Profitability of sales by economic activity	570		
23.6. Profitability of sales by regions, cities and districts	573		
23.7. Share of loss-making organisations by economic activity	577		

24.1. Foreign trade in goods	621
24.2. Foreign trade in goods (graph)	622
24.3. Share of regions and Minsk city in the total national volume of foreign trade in goods	623
24.4. Indices of foreign trade in goods	624
24.5. Foreign trade in goods by country groupings	625
24.6. Foreign trade in individual groups of goods in the Republic of Belarus, regions and Minsk city	626

	Pg.	25.3. Average prices of selected food goods in retail organisations in 2025	662
Foreign trade in services			
24.7. Foreign trade in services	634	25.4. Consumer price indices of selected non-food goods	664
24.8. Foreign trade in services (graph)	635	25.5. Indices of prices and tariffs for services provided to the population	667
24.9. Indices of foreign trade in services	636		
24.10. Foreign trade in services by country groupings	637	Pg.	
Foreign investment		Producer prices	
24.11. Accumulated foreign investment at year-end 2025	638	25.6. Industrial producer price indices	669
24.12. Inflow of foreign investment in real sector of the economy	638	25.7. Industrial producer price indices by economic activity	670
24.13. Inflow of foreign direct investment in real sector of the economy	638	25.8. Industrial producer price indices for "Manufacturing" economic activity ...	671
24.14. Inflow of foreign investment in real sector of the economy by economic activity	639	25.9. Agricultural producer price indices	673
24.15. Inflow of foreign direct investment in real sector of the economy by economic activity	642	Market prices of housing	
24.16. Inflow of foreign investment in real sector of the economy by regions, cities and selected districts	645	25.10. Changes of average housing prices	674
24.17. Inflow of foreign direct investment in real sector of the economy by regions, cities and selected districts	649	25.11. Average prices on primary and secondary housing markets	675
24.18. Net foreign direct investment (without debt to direct investor for goods, works, services) by regions, cities and selected districts	653	26. Science and innovation	
25. Prices		Science	
Consumer prices		26.1. Number of R&D organisations and personnel	677
25.1. Consumer price indices of goods and services	659	26.2. Number of R&D personnel by category	678
25.2. Consumer price indices of selected food goods	660	26.3. Number of researchers with academic degree	679
		26.4. Number of researchers by field of science in 2025	680
		26.5. Volume of research and development performed, scientific and technical services provided by R&D organisations	681
		26.6. Current domestic R&D expenditure by type of work	682
		Innovation	

26.7. Share of innovation products shipped in the total volume of industrial products shipped	683
26.8. Number of industrial enterprises with expenditure on innovation	683
26.9. Share of exports in the total volume of innovation products shipped by industrial enterprises	684

**27. Telecommunication,
postal and courier activities**

27.1. Selected indicators of telecommunication, postal and courier activities	685
27.2. Indices of telecommunication, postal and courier services	688

	Pg.		Pg.
28. Information and Communication Technology		28.4. Organisations by data transmission rate	694
28.1. Main socio-economic indicators of ICT sector	690	28.5. Use of information and communication technologies by the population	695
28.2. Main indicators of ICT use in organisations	692	28.6. Share of population using the Internet on a daily basis	696
28.3. Organisations by type of Internet connection	693	28.7. Satisfaction with the quality of cellular communication and Internet services in 2025	696
